

Guys Camping Retreat

Lately God has really put on my heart the meaning of “Biblical Manhood.” Our culture has tried its best to emasculate men and merge all genders into one role in the world. It really is time to begin to ask ourselves “What does it really meant to be a MAN?”.

June 5-7 we are going to start that conversation. We will head to the woods for a 3 day primitive camping trip with just us guys. I realize that for some of you, this will be the first time you have truly been off the grid and unplugged from the world. For others you will be able to reconnect with the beauty of God’s creation. Will you please consider join me, our RADIATE High School Guys’ Staff and some college and adult men on this 3 day opportunity to hear from God and have a lot of fun?

If you have any questions, please feel free to let us know.
