

HS Girls

Lake Retreat

Dear Radiate Girls,

I am so excited that you are considering Girls Retreat this year! This is my fourth Girls Retreat, and it is easily one of my favorite trips we take as a ministry. Every morning and evening of the trip we gather for Bible study, and the rest of the time is spent as a true retreat! Girls will be swimming and working on their tans by the lake, playing games, watching movies, taking naps, reading books, eating junk food, and having a generally relaxing, fun time together. My prayer for this trip is that girls would leave more in love with Jesus and the Bible, and that they would leave with stronger relationships with other girls in their student ministry.

In the past we have studied the women in the lineage of Jesus, issues that girls face, and Proverbs 31. This year, Guys and Girls Retreats are both focusing on Luke 2:52, "And Jesus grew in wisdom and stature, and in favor with God and man." What does it look like for a godly man or woman to grow in wisdom, stature, favor with God, and favor with man? I've got a couple of surprises for the girls this year and we will hopefully all leave with a clearer picture of how we are called to biblical womanhood. On the back are some details about the trip. Let me know if you have any questions!

Katie Hill
