## BEACH CAMP 2018

• • • • • • • • • •

Dear RADIATE Parents and Students,

We are so excited that you have signed up for Collide:PCB, our second ever Middle School mission camp! With shrinking summers and ever-decreasing funds for families, we are taking a hybrid trip that's both camp and missions. This year we are combining the serving and community elements of a mission trip with the fun and discipleship elements of a summer camp. We have partnered again with Rick Young at Woodstock Church down in Panama City Beach, FL.

On Sunday, June 17, please make sure that your student drops off his or her stuff by 9:30 AM, in the Senior classroom. Immediately following the Sunday morning services, we will check-in in the café, eat lunch, and head to the beach! We will return Friday, June 22, to Burnt Hickory about 5:00 PM (your student will be in contact with you if this should change significantly). Also, please note that your student must have a current medical release form on file in order to travel with us this summer.

If you have any questions or emergencies, please see our emergency contacts below. Any registration or logistical questions, feel free to email [khill@burnthickory.com](mailto:khill@burnthickory.com). Thank you so much for making Collide:PCB a part of your summer – we are praying for a life-changing week for your Middle School student!
