

BEACH WEEK

JUNE 16-20

Dear Radiate Parents and Students,

We are so excited that you have signed up for Beach Week! Radiate is having a beach week party this summer, and more importantly, we're expecting God to do great things in our students' hearts and lives.

We are headed to beautiful Destin, Florida for a week of amazing fun, worship, small group times, team recreation, and (of course!) some time on the pristine beach. We're staying in two condominiums located directly on the beach. Worship will be at nearby Village Church. A basic schedule for the week is we will have breakfast in our rooms, then head to Village Church for large group speaking and worship sessions with our students followed by lunch. Then the afternoon will be filled with team recreation and competition, and beach and pool time. Then we'll head back to Village Church for dinner, worship and all the Radiate Late Night fun.

Please make sure your student eats breakfast before arriving at BHBC on June 16 (see next page for staggered arrival times based on your last name). We will leave no later than 9 AM, and return Friday, June 20, to Burnt Hickory about 5:00 PM (your student will contact you, and we will update our Radiate social media pages if this should change significantly). Also, please note that **your student must have an updated/notarized 2025 Radiate medical release form on file in order to travel** with us on this trip. **These waivers are due June 1.**

If you have any questions or emergencies while we are at camp, please see our emergency contacts provided on the back of the sheet. Any questions beforehand, feel free to email Alaina, Savannah, or Maria. Thank you so much for making Beach Camp a part of your summer - we are praying for a life-changing week for your Middle or High School student, in the name of Jesus!

WHAT TO WEAR

All clothing **must meet school dress code** and be appropriate. We hope it's not an issue. But if it is, a chaperone will ask you to change. If in doubt about whether something you're bringing is appropriate, just don't bring it, please. You are expected to abide by the following:

BOTTOMS: Please stay in that mid-thigh region for shorts and skirts. If in doubt, follow the "finger-tip" rule. Leggings are allowed if the shirt covers the front and back.

TOPS: Straps must be 3 fingers thick or wider, for guys and girls. No spaghetti strap or halter tops. Crop Tops are not allowed. If your mid-section is showing, we will ask you to put on a different shirt.

SWIMSUITS: Girls, one pieces and tankinis are allowed if the stomach, back, and bottom is covered. No strapless or cheeky swimsuits. Guys, your swim shorts need to be appropriate as well, and follow the shorts guidelines above.

PLEASE DON'T BRING: Spandex shorts/Nike pro-style shorts, bikinis, Speedo's, crop tops, or cheeky swimsuits.

If in doubt about whether something you're bringing is appropriate, please don't even bring it.
