ASK ME ANYTHING: (DNOW VERSION)

Where do I go if I can't get there on time Friday Night? Registration will be open until 8:30 PM. If you arrive after 8:30 PM, head upstairs and you'll find a check-in station by the Radiate Auditorium. If you arrive after 9:30 PM, you will receive a text from our staff with your host home info. If not, please text one of us for help.

What if I have to leave during the weekend for sports or other obligations? We have a time away card for that! Fill one out (you can download it from our DNOW Info Hub or pick one up when you check in) and give it to your Host Home leader.

What is Tribe Wars? What's up with the colors? We have an AMAZING rec time for Middle School and another one for High School and we compete for a trophy and bragging rights! Each grade dresses up in their team color (think clothes, crazy accessories or costumes, even face paint - BUT NO GLITTER!) to show their team spirit.

Can I bring my phone? Will I have access to WiFi? Yes, you can bring your phone. Host homes will not provide WiFi access, but there is WiFi at the church.
