

1. Get at least 10 Sponsors.

NEW: You need 10 Sponsors (and you don't have to be one of them)

How do people sponsor you?

Give them the registration link on this card and tell them to put your name in the "Student's Name" field when they sign up as either a runner or a phantom sponsor. Participants in the "10 & Under" category do not count as a sponsor.

What if more than 10 people sponsor you?

To receive credit for the race you need 10 sponsors. If more people sponsor you, you don't receive extra money directly for yourself. **BUT** the more people who participate in the race, the more proceeds we will raise, therefore your fundraising dollars will ultimately be affected!

How do you know how many people have sponsored you?

1. Check the Fundraising Progress Tracker online. This shows if you have enough sponsors and if you are signed up to volunteer
2. To check and see who has sponsored you, you can visit the Radiate Welcome Desk on Sundays or Wednesdays for a complete list that includes names of sponsors.

2. Volunteer for the event.

There are four options for volunteering:

- 1. Work Race Day (Saturday Morning, 2/7)**
- 2. Work Bag Pickup (Friday Afternoon, 2/6)**
- 3. Set up for the Race (Thursday Evening, 2/5)**
- 4. Participate in Makeup Hours (Wednesday Evening, 2/11)**

Can I sign up for whichever one I want?

We ask that unless you have a **direct conflict** on Race Day, that you sign up to work the morning of the race. It takes SO MANY volunteers to make our Race Day successful.

How does the “Makeup Hours” option work?

You must have a legitimate reason that you cannot work Thursday, Friday, or Saturday. You will need to plan to be at the makeup hours on Wednesday, February 11 (sign up for that slot on the sign up genius), or email Alaina Johnson before race weekend about another option. (email: ajohnson@burnthickory.com)

How do you sign up?

To sign up for any of the above options, scan the code for Student Volunteer Sign Up and pick the option that works best for you. (But please remember, we need the majority of students to work on Race Day. Be honest!)

Can your parents volunteer too?

Yes, we need them! They can scan the Adult Volunteer Signup to help.
