Dear Radiate Parents and Students,

We are so excited that you have signed up for Collide! Middle School is having a local missions trip this summer, and we're expecting God to move through our students into the community.

We are heading to Orlando, Florida for a week of missions opportunities, worship, recreation and a celebration at Universal Studios theme park to close out the week. We will be staying on site in Church At The Cross with worship and recreation happening on property as well. A basic schedule for this week will be having breakfast as a group in the church each morning, then rotate teams at various missions opportunities within Orlando. Students will have a lunch break before participating in another missions opportunity. The afternoon will be filled with fun recreation and relationship building time at Church At The Cross. We will come together again for dinner, worship, and Radiate Late Night fun. All meals and a late night snack are provided, except when traveling.

Please make sure your student eats breakfast before arriving at BHBC on June 21. We will provide pizza at the church before departure and will leave no later than 1:30pm, and return Friday, June 26 to Burnt Hickory about 4:00pm (your student will contact you, and we will update our Radiate social media pages if this should change significantly). Also, please note that **your student must have an updated/notarized 2026 Radiate medical release form on file in order to travel** with us on this trip. **These waivers are due April 26.**

If you have any questions or emergencies while we are at Collide, please see our emergency contacts provided on the back of the sheet. Any questions beforehand, feel free to email Joy. Thank you so much for making Collide a part of your summer - we are praying for a life-changing week for your Middle School student, in the name of Jesus!

The Radiate Staff

Radiate Medical Release Form will need to be notarized. You may get this done at the church office, your local bank, shipping store, or other notary service location. Please plan to show a valid driver's license at the time of notarization, and sign in the presence of a notary, not before.

***Notary is available at the church office Monday- Thursday 8:30-4pm**
